

Sunday School Gamified Platform

UI/UX Design Document

Version: 1.0

1. Design Vision

The platform should feel like:

- Safe and child-friendly
- Fun and engaging
- Similar to modern educational platforms
- Inspired by game progression systems
- Clean enough for servants and admins to manage

The design should encourage children aged 10–12 to return daily and participate in activities.

2. Design Principles

Simplicity

Children should understand the interface without instructions.

Rules

- Maximum 3 clicks to reach any feature.
 - Large buttons.
 - Clear icons.
 - Minimal text per screen.
-

Gamification First

Everything should feel rewarding.

Examples:

- XP bars

- Badges
- Achievement popups
- Confetti animations
- Daily rewards

Accessibility

- Large fonts
- High contrast
- Mobile-friendly
- Tablet-friendly
- Keyboard accessible

3. Global Layout

Final Design Goal

The platform should feel like a blend of:

- Duolingo
- ClassDojo
- Google Classroom
- Roblox Progression Systems

while maintaining a church-centered, educational, and child-friendly experience focused on spiritual growth and community engagement.
